Summary

Frontend Web Developer with a penchant for aesthetics, a knack for Psychology, and an unyielding commitment to growth. Successful in uniting vague inquiries & ideas with an adept imagination to deliver visually stunning & highly effective products. Cherished among peers & staff for warming presence & calm temperament regardless of environment.

Technical Skills

Languages: HTML & CSS, JavaScript, jQuery, Node.js, mySQL

Applications: GitHub, Heroku, Postman, MySql Workbench

Projects

Bucket Budget: Bucket list budgeting & planning application

GitHub: https://github.com/msyatlaus/bucket-budget | Live: https://bucketbudgetplanner.herokuapp.com/

- Responsible for setting up file routes on the backend & developing the user experience on the frontend.
- Worked primarily with Node.js, Express, JavaScript, AJAX, APIs, & Heroku.

Foodies Unite: Health-minded meal planning application

GitHub: https://github.com/94Cooper94/foodiesUnite | Live: https://94cooper94.github.io/foodiesUnite/

- Managed 180+ contributions & 40+ pull requests on the GitHub repo; built & designed the frontend.
- Handled all the HTML & CSS, connected the JavaScript, managed the repository.

Weather Dashboard: Weather forecast application

GitHub: https://github.com/94Cooper94/weatherDashboard | Live: https://94cooper94.github.io/weatherDashboard/

- Wrote necessary logic to connect weather-based API to hand-crafted frontend.
- Utilized HTML, CSS & bootstrap components for frontend; JavaScript & jQuery to set up backend.

Note Taker: Post-it style note taking application.

GitHub: https://github.com/94Cooper94/noteTaker | Live: https://note-taker-s.herokuapp.com/

- Wrote a fairly simple note tracking application & deployed to Heroku.
- Tested via Node.js & NPM's jest package; hosted via Heroku; designed the aesthetic.

Experience

Server & Bartender - Southland Whiskey Kitchen   December 2018 - February 2020

- Effectively communicated with coworkers to maintain upscale server & curate high quality food & beverage.
- Established a warm & easygoing culture responsible for attracting regular business.
